

VSCCA / Jaguar Club

July 3, and 4, 2009

The ever popular VSCCA / Jaguar Club event will once again be held at Lime Rock Park on Friday July 3 and Saturday July 4. This event will be run as an **open exhaust event**, your car does not need to be muffled. There will be a class for non-VSCCA (post 1959) racecars. We will have **Timing and Scoring, if you have a Transponder please put the number on your entry form**. Please get your **entries in very early** so we know how many cars we have and if we need to invite other cars. Your checks will not be cashed till after the event.

There will be a complementary wine and cheese party in the paddock on Friday night. All are invited to the party. As this will be an informal gathering any help will be appreciated, please let me know if you can help (Call Charles Bordin). Feel free to bring wine, or an extra dish of food. If you and some of your friends want to stay late and barbeque bring you grill. Camping area is available Thursday night and Friday night with the bath and shower facilities on the grounds. The snack bar will be available for breakfast.

Should you want to sponsor the event financially which would be gratefully appreciated. One could sponsor the Friday evening party, worker's lunch on Friday or Saturday, or the corner worker's dinner on Saturday before they drive home. You can sponsor a race or a race group. Please contact Charles Bordin to sponsor part of the event.

This event has always been run as a family event. We try to encourage the whole family to participate. This is a great way for spouses and older children to go through the driver's school and practice driving on the track with the Jaguar Club. Call Charles Bordin at his office 914-968-5700. It gets the whole family involved in the weekend.

The owner/entrant understands and agrees that motor sport activity is an inherently dangerous activity and assumes the risk. The owner/entrant is solely responsible for the condition of his/her vehicle at all times.
