Subject: Special Activities Mailing to the VSCCA's Electronic Mailing List

Dear Friends,

The entry information for the Labor Day Weekend Festival at Lime Rock has just been released. Attached please find two separate attachments pertaining to the event, which the VSCCA is very proud to have under our sanctioning once again.

Last year the VSCCA played a major role in bringing this event back to its roots, and growing it into one of the premier vintage events of the year in the United States. We would like to build upon the growth of last year, and keep the number of entries climbing. Our realistic target is 350 cars this year.

We ask you to please support this event and your club by signing up now. Even though the VSCCA is the sanctioning body, and you are all highly valued members of our club, this is not a typical VSCCA club event in which you can get around to signing up for the event when you have time. The entry deadline is June 15th. Your entry must be on the special entry application attached to this mailing, not the regular VSCCA entry form.

Entries come in from all over the country for this event, and grids must be set well in advance. If you do not take the time to properly fill in the entry now, and immediately send it back, you may not be able to get a spot on the grid.

The fact that the VSCCA is once again the sanctioning body for this event is obviously good for the event, as evidenced by last years dramatic increase in entries, as well as all of the favorable comments about the event afterwards. But the fact that Lime Rock has chosen the VSCCA once again is also very good for the VSCCA. It is an honor for us to have been chosen, and benefits our club in too many ways to enumerate here. We all need to show our support of this event by sending in our entries now.

Concluding on a different subject, please don't forget that we have added a new event at the brand new track in Monticello New York on Friday, July 9th. It is only 195.00 for a great deal of track time on a premier new facility that has Formula One looking seriously at them for a venue. Please send your entry along with a check made out to "VSCCA Inc." for 195.00 to Event Chairman Chip Brown, 297 Silvermine Ave., Norwalk CT. 06850. (917) 714 7054.
