

April 12, 2010

Dear Fellow Enthusiast,

Skip Barber and I are delighted to announce the 28th running of the Lime Rock Historic Festival taking place, as ever, on Labor Day weekend, the 3rd to the 6th September 2010. The event will be sanctioned again by our friends at the VSCCA.

The basic format of the event will follow that of last year's highly successful Festival, when our aim was to provide plenty of track time, and opportunities to participate in sprint races as well as those of longer duration. Practice will take place Friday Sept. 3, qualifying on Saturday morning and racing Saturday afternoon, and racing all day on Monday.

Sunday (when local ordinances don't allow on-track action) will see "Sunday in the Park," our Concours & Car Show. Last year, with the addition of a new feature, Gathering of the Clubs, we saw an unprecedented 722 cars displayed on the track. All entrants for the Historic Festival race meeting are free to join the Concours (a Sunday in the Park entry form will be available soon).

There will be racing for the following groups:

- Pre-war sports and racing cars
- Sports/racing cars, 1954-60
- Sports/racing cars, 1961-66
- Single-seater race cars, 1956-64
- Porsche 911 and 914, 1965- 74
- Championship of Makes sports racing cars, 1967-79
- GT and production cars: 1948-54, 1955-64, 1965-75

We would like to run separate races for Bentleys, Formula Junior and Formula Ford – and will do so if we receive 20 entries for each of those groups. So dig out your Speed Sixes, Titans, Merlyns and Coopers!

Given the experience I gained last year as Chairman of the event for the first time, we are making arrangements to facilitate load-in of vehicles on Thursday to eliminate some of the delays experienced in 2009.

Another change to the schedule will be that the Gala Party and prize-giving will take place on Saturday evening rather than Friday. First, second and third place awards will be given for Saturday's races at the gala, while Monday awards will be presented at the end of each race.

An entry form for Historic Festival 28 is attached; it is our intent to inform you of acceptance immediately, and give you information on the group you will be running with. We reserve the right to add or subtract groups depending on the entries we receive. We will also add, by popular request, a hardship session first thing on Saturday and Monday mornings. Once your entry is accepted we will forward detailed instructions and schedules, but all groups will practice on Friday, and race on Saturday and Monday. Additional information bulletins will also be posted on the Lime Rock website on a regular basis.

I will endeavor to avoid large speed differentials in each group and will exercise my chairman's prerogative to adjust the groups in order to assure you all of an enjoyable and appropriate group to race in.

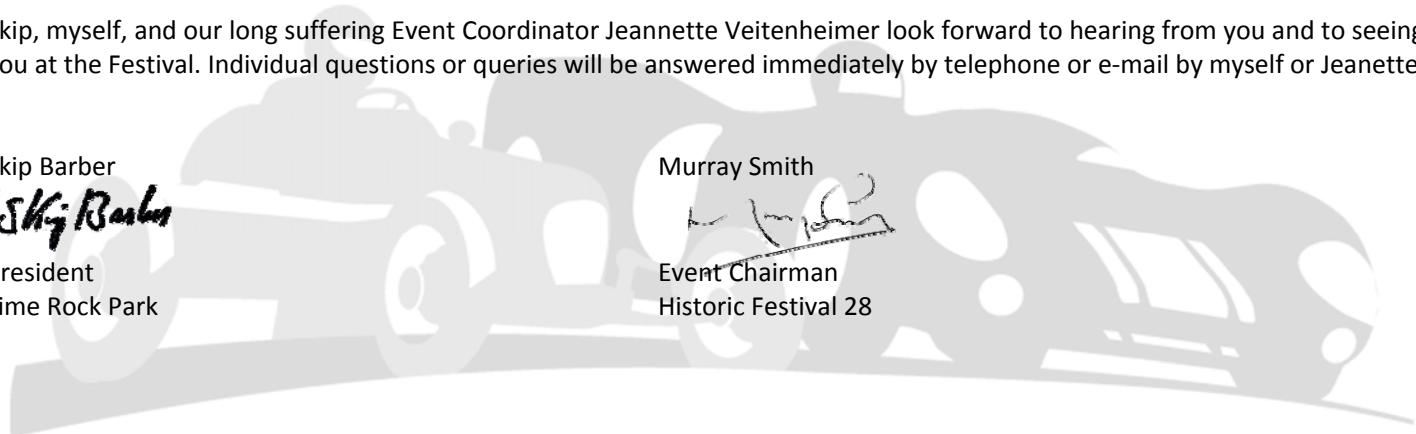

Skip, myself, and our long suffering Event Coordinator Jeannette Veitenheimer look forward to hearing from you and to seeing you at the Festival. Individual questions or queries will be answered immediately by telephone or e-mail by myself or Jeanette.
