Subject: Interim mailing to electronic mail recipients

Dear Friends,

We are sending an interim club mailing to our electronic mail recipients to tell you about a few things that just couldn't wait for the next regular mailing.

The first big thing is from Frank Righetti:

BOB,

I WILL RAFFLE OFF EIGHT TWO DIGIT NUMBERS AT OUR SPRING SPRINTS FRIDAY NIGHT DINNER. TICKETS WILL BE SOLD SO THAT EVERYONE HAS A CHANCE TO WIN A TWO DIGIT NUMBER AS WE DID LAST YEAR. DETAILS WILL BE ANOUNCED AT THE TIME.

FRANK R.

Next, a new arrangement has been negotiated with the NJ Motorsports track pertaining to the NJ Grand Prix and Family Festival.

The VSCCA is taking ALL of the track time this year, with no partner as in prior years, eliminating Friday from the regular event, and cutting the entry fee to \$375.00.

So our track time is now all on the weekend. Total track time has increased from prior years. And we are charging you less for it. Very few things in life are win/win/win, but this is one of them.

But there is one thing. Now that the VSCCA has made such a large commitment with respect to this event, we need a substantial number of entries. We really need your support to make this increased level of commitment work.

This event is open to all suitable non log book cars of any vintage, subject to approval of EC Roy Maloumian, and, of course, passing safety tech. So please get the word out to people outside the club that they are welcome. Tech questions regarding non log book cars should be directed to JR Mitchell gmtracing@.com.

Attached is a note from EC Roy Maloumian 12152473535, heirloom23@aol.com describing more of the details. Please mark your calendar and send him an entry form right away.

Last, but far from least, attached is the announcement for the Radnor Hunt. This event is the most unique and different from others on our calendar. Since it is a national level event, planning must be done way in advance, and entries must be submitted for consideration now.

Also, please don't forget that Pocono is just around the corner. It is the clubs school for all new members, and is a full two days for only \$235.00. Questions to EC Andrew Perlman 12039135743 sellwire@comcast.net. Questions on the school should be directed to Charles Bordin. 19149685700 cbordin123@aol.com

I, for one, am looking forward to no more snow and a little bit of friendly racing. See you out there.
