22nd & 23rd,2010

Only 85 days until the Best Weekend of Racing. Plenty of Seat Time on one of the Best Racetracks in the nation. Lots of Fun. All for a Great Price! Plus Sign up now to get the very special Early Registration Fee Only \$375!! Remember that at the very same time we are all having a great time with our cars, we are also "Honoring Our Wounded Warriors & Veterans".

The racetrack has been cooperating with us a great deal this year- first by agreeing to run an open track test day on Friday May 21st.(Details & Costs for Test Day will come directly from the track shortly) All VSCCA Entrants will be able to check in anytime on Friday & the Event Garage will be strictly reserved for our entrant's cars again this year!

Here is a brief overview of our schedule- Friday Night @ 5:30pm ,all Race Cars will form up and proceed under police escort for the parade run to Downtown Millville for our Welcome Party. This year it will be held along the Maurice River right in town, with Food & some light Entertainment included.

Since VSCCA will have the entire track during this weekend ,you can be assured you will end up with even more seat time than in previous years. We expect most groups will enjoy 3 sessions each day. On Saturday, one session will be your Qualifying session and on Sunday, your 2nd session will be your Race Session. We are working on some new ideas to make those third sessions on Sunday something unique & special.

Each day ,there will be Coffee & Donuts available @ your driver's meeting, at the noon break , you will have a lunch provided to share with all our Honor Escort Motorcycle Volunteers.

Finally again this year, we are planning to have our catered VSCCA Banquet in the Event Garage similar to last year. All these meals are provided by the various sponsors which appreciate VSCCA's and your personal efforts on behalf of 'Our Wounded Warriors & Veterans'.

One new thing we have added to the overall event will be a Chinese Auction of Sports & Automotive Memorabilia (Volunteers are going to be selling books of 12 tickets for \$10 each during the event weekend). If you happen to have some Racing or automotive memorabilia that you are willing to donate and would like to be part of this fundraiser, we would love to recognize your special efforts. Simply send me an e-mail describing exacting what you are donating, we would love to add it to our growing list.

This year, Bob Mirabile has agreed to chair our Car Shows with the intention of bringing in some very significant and rare cars for display. On Sunday, Andy Vitek has also added a unique "Vetts & Bikes for our Vets" Show. These two are teaming up to build the entire Car Show effort of this event to World Class Stature

Mark the date, check your tire pressures, and send in your check, the early bird special of \$375.00 is only for the "early birds" who appreciate a DISCOUNT. Don't forget you can sign up right on our website! www.njvgp.com <<http://www.njvgp.com>> Roy
