

VSCCA / Jaguar Club

June 4, & June 5

This year the ever popular VSCCA / Jaguar Club event will be held at Lime Rock Park on Friday June 4 and Saturday June 5. This meet will be run as an **open exhaust event**, (i.e. your car does not need to be muffled). In past years each group was able to get on the track four times each day. We will try to repeat this again this year. There will be a class for non-VSCCA (post 1959) racecars. As always please get your **entries in early**.

Through the generosity of some members the paddock party will consist of a Texas Barbeque on Friday night. All are invited. However volunteers are still needed to help with this gathering and donations in the form of wine, beer and sodas will be gratefully accepted. As a matter of fact donations in any form will be gratefully accepted. You could help sponsor the worker's lunch on Friday or Saturday, or the corner worker's dinner on Saturday evening.

If you wish to help with the party please call Charles Bordin. Your help will be appreciated. Camping is available Thursday night and Friday night with bath and shower facilities on the grounds. The snack bar will be available for breakfast.

This event has always been run as a family event. We try to encourage the whole family to participate. This is a great way for spouses and older children to go through the driver's school and practice driving on the track with the Jaguar Club. Call Charles Bordin at his office 914-968-5700. It gets everyone involved in the weekend activities.

The owner/entrant understands and agrees that motor sport activity is an inherently dangerous activity and assumes the risk. The owner/entrant is solely responsible for the condition of his/her vehicle at all times.
