VSCCA's 51st year begins with 2 full days of track time at Pocono Raceway. Pocono offers long straights combined with a very technical infield and is a great "level playground" for big and small bore machinery. Join us for 2 days of practice and Sprint races. VSCCA Pocono is historically a low key event with plenty of practice and track time to knock of the winter rust (human and machine), and test any of those demon winter mods...

The annual VSCCA Drivers School will be held during this event. If you are a veteran VSCCA-er sponsoring a student, please make sure they are signed up with our Chief Instructor, Charles Bordin by sending Charles an e-mail at cbordin123@aol.com with the students name and contact information, in addition to sending in an event entry form and Check to Andrew Perlman. It is the same low \$235.00 entry fee for the school.

As has become a tradition, we will be hosting a free wine and cheese party Friday night April 9th at the track. Registration and tech inspection will be available Friday night April 9th and Saturday morning , April 10th.

The traditional Saturday night (Saturday April 10th) dinner will be held at the Village Squire Restaurant, located 10 minutes from the track. Money for the dinner will be collected AT THE DOOR OF THE DINNER - please do not include it with your registration.

We have booked a block of rooms at both the Blakeslee in and the Best Western Blakeslee. Mention VSCCA when booking for a reduced rate.

VERY REASONABLE RATES!!!!
