

VSCCA Spring Sprints – May 1st and 2nd 2009

Don't miss the season opener at our home track, Lime Rock. This is only the second year that the Spring Sprints have been in this new and improved date, the first weekend in May. We are planning on good weather and lots of track time. We haven't finalized the groups yet, but we will be able to repeat the schedule from last year where we had the track Friday afternoon and Saturday morning. This works well for those who like to sleep late, or even just drive in, on Friday morning, and get an early start home on Saturday. Also, if you remember from last year we actually had the track up until 2PM on Saturday. So if you like your track day action packed without much sitting around and waiting (like at some of the bigger name events), this is where you will want to be.

We also have reservations for dinner at the White Hart Inn in Salisbury for Friday evening. This will give everyone a chance to relax, socialize, and tell everyone about all the great passes they made during the afternoon sessions. The cost for the dinner will be \$50 per person. It is usually worth the price just to hear some of John Fitch's stories at the end of the evening. I certainly enjoyed them last year.

In addition to Pocono and VIR, a school for new VSCCA drivers will also be held that weekend. So make sure you get all the new drivers signed up and at the school so they can start the year off right. Please be sure to indicate clearly on your entry form if you are a student.

Don't forget to send those entries in early to Phil Roettjer at 46 South Street Upton MA 01568. The registration fee for the weekend is \$410 plus \$50 per dinner. We look forward to seeing a good turnout.
