Subject: July VSCCA Activities Letter

Date: July 1, 2010

Dear Friends,

The season is going very nicely so far, with all events reporting very good attendance, no real problems, and an abundance of camaraderie. Our last event in June at Lime Rock with the Jaguar Club generated the usual rave reviews. Thanks to Charles Bordin and Bob Millstein for another great event.

The **VSCCA now accepts applications for log books for cars through the 1960's** on a case by case basis. Make your inquiries and applications to Jerry Greaves, or anyone on the Car Classification Committee.

Application may be made to all of our events by non VSCCA drivers and for cars without a log book.

The reason why it is important that everyone understand this, is that The VSCCA has no advertising budget. The only way information disseminates outside of the club, other than the favorable press that we receive about our events, is through word of mouth within the vintage racing community. **Please make every effort to mention this to everyone that you can,** either at other events that you may attend, or people who you know who think that they cannot run with the VSCCA. Any qualified driver, and any suitable car is welcome at most VSCCA events.

We have two events in July, our **NEW EVENT AT MONTICELLO, on Friday July 9th, and the Pittsburgh Vintage Grand Prix.**

Monticello is open to all entrants. This track was built as a private retreat for Wall Street Execs, and is now available to us. ONLY **\$195.00** for **SIX TIMES OUT ON TRACK,** and a free lunch party in the paddock. Contact Event Chairman Chip Brown right away chip21c@hotmail.com .

PVGP is only three weeks away. If you have neglected your entry, today is the day. David George, Molly, Barb and the rest of the crew put on a top drawer event in every respect.

Attached is an entry for the Labor Day Festival. It has come to our attention recently that some of our membership have not received the entry for the event that had been mailed by the track. Some other members evidently also have not received the email version of the entry that went out with last months club mailing. In light of that, Murray Smith has agreed to extend the entry filing date until July 15, 2010, for our membership.
