

The 100 Motorcars of Radnor Hunt is very pleased to enjoy sanctioning for its entire weekend of activities by The Vintage Sports Car Club of America. The VSCCA is the oldest automotive preservation club in America whose mission is to encourage the acquisition, preservation, restoration, and operation of vintage sports cars. The club's emphasis is on rare and unusual sports and racing cars including all pre-war and certain post war cars through December 31, 1959. It is a great honor to be listed on this club's calendar that includes such historic events at the Mt Equinox Hillclimb, and The Pittsburgh Vintage Grand Prix. The VSCCA counts well over a thousand cars in its membership with the largest concentration of pre World War II sports cars in the country.

Radnor Hunt's relationship with the VSCCA is very long. Many of those involved in organizing and supporting the Radnor Hunt Concours weekend are VSCCA club members. Chairman Mike Tillson and several of the Board Members played major roles in the organization of the VSCCA's Fairmount Park Vintage Grand Prix events held from 1990 to 1995 that honored the memory of the famous Fairmount Park races that took place in Philadelphia's vast Fairmount Park system in the early 1900s. At the time, the Fairmount Park races were the premier racing events in the United States, comparable in scope and reputation to the later Vanderbilt Cup races and the Indianapolis races of the 1920s and 1930s.

The Radnor Hunt Concours welcomes all our friends from the VSCCA, and appreciates their support.
